Operation' Weed Burning Starts Tues.

Albany's annual "operation weed burning" will get under way on Tuesday, July 24, it was announced by Fire Chief Fred Pittman.

Weeds on vacant lots and Albany are burned at this time each year to reduce fire hazards during the critical dry season.

Neighborhood residents planning to be away for the day to all windows to protect their homes from the smell of smoke.

It was also stated that there will be no burning on Mondays in order that housewives may safely do their washing.

Adult Center Sets New Course

Applied arts—a class with a combination of several courses, is being offered throughout the summer at Albany Adult Education Center, according to Robert G. Smith, principal.

The class meets each Monday from 7 to 10 p.m. and Tuesday from 9 a.m. to 12 noon at Albany Adult School under direction of Robert Varyan, graduate student at California College of Arts and Crafts.

The course covers the following subjects:

Dresden craft, mold making and painting, coil and slab glazing, pottery, brass and copper tooling, aluminum etching, leather craft, block printing and shellcraft. Students will work in any one medium for summer or in any combination of the various crafts.

Dresden craft instruction includes the application of flock and the making of figurines, plaques, bases and other articles in various colors (tempera), oils, encaustics or lacquers. Attention is given to dressing figurines in cloth or net and to the application of cloth, paper or hand-molded ceramic flowers to the figurines. No kiln is necessary for Dresden work.

Brass and copper tooling offers opportunities for making book ends, pens, cigarette cases and trinkets. Attractive aluminum trays can be made by those interested in aluminum etching. Shellwork includes instruction in making jewelry, plaques, candle sticks, bon bon holders and other items.

Belts, handbags, soft moccasins and belts are a few of the things that may be made in leather. An unlimited number of articles can be created by those interested in block printing, screen or in any phase of the ceramics.

The applied art classes, designed primarily for adults, are open to adults over 12 years with no registration fee. Adults are charged a fee, which entitles them to take all courses at the center through July 1.

Newcomb's Musician Novelties Perform For Albany Lions Club

Albany Lions last Thursday evening were treated to what was probably the most outstanding musical program to appear before the club—George Newcomb and Musical Novelties.

This unusual musical program directed by George Newcomb, Jr., a member of the El Cerrito Lions Club, his brother Bill, and his mother, Lorraine.

Mrs. Newcomb played the piano accompaniment to Bill's music and saw and George's violin. The one-stringed elongated instrument differing from a violin in the sound box is at right angles to the strings.

During the program George also played the "shot-gun." This was done by blowing into a trombone which placed in the muzzle allowing the music to pour from a piece of curved pipe, which was to an old-fashioned car horn.

The Newcomb family opened the program with a melodic rendition of Wayne King's immortal "The Way You Saved Me." Other

ALBANY EXCHANGE CLUB'S new president, Louis Celia, second from right, receives gavel from Harry Williams, second from left, retiring president. Other new officers installed at a recent dinner meeting are Bill Dietz, left, secretary; Vernon Freeman, third from left, treasurer, and John Pleich, extreme right, vice-president Mrs. Iola Hamilton was installed president of the Exchangeettes during the joint affair.—Courtesy Gazette.

City Library Use Sets New Record

The annual report from the Alameda County Library today showed a record breaking increase in use of the two Albany branch libraries.

Total circulation during the past year was 70,877, an increase of 6108 over last year.

In order to maintain the usual service to local residents, both branches will remain open this summer during the librarians' vacations. Miss Shirley Preston, former librarian at the City Hall branch, will relieve both Mrs. Watkinson and Mrs. Woodworth during their regular vacations.

Both libraries have a varied selection of fiction, non-fiction and children's books. Patrons may now plan ahead for vacation reading.

Family Services Held For John J. Vostmyer

Private family services were held last Friday for John J. Vostmyer, 75, member of a pioneer California family, who died July 11 at his home, 1208 Portland Ave., after a lengthy illness.

A native of Colusa, Mr. Vostmyer was a retired blacksmith and millwright. He had made his home here for the past nine years with his daughter, Mrs. Hazel Gaspari.

He also leaves a son, Clarence L. Vostmyer of Hazel Creek; a sister, Anna Fick of Live Oak, and six grandchildren.

Services were conducted from the Ellis-Olsen Mortuary, followed by interment at Sunset View Cemetery.

Eagle Sewing Club Plans Dessert Whist

The Albany Eagle Auxiliary Sewing Club is holding its monthly dessert whist at 12:30 p.m. Tuesday, July 24, at Albany Community Methodist Church hall, Marin and Stannage Aves.

A door prize will be awarded, in addition to an apron for each table.

GUNMEN TAKE \$2000 FROM ALBANY TAVERN

Albany and Oakland Police today were on the lookout for two armed bandits who walked into the Albany Inn, 985 San Pablo Ave., last Sunday night, ordered eight customers into a washroom, and then fled with \$2000 from the bar.

Police said the gunmen are believed to be involved in similar holdups in Oakland.

Entering the tavern at midnight with revolvers, one of the robbers at gun-point ordered four men and four women patrons into the men's washroom.

While one bandit kept guard over the eight customers in the washroom, the other walked with Jack Finney, proprietor, to the bar where he ordered him to "hand over all the money in the cash register." The gunman spotted an open safe and demanded Finney to remove the cash from it. He then took the money from Finney's wallet.

After ordering Finney and the eight customers to remain in the washroom and "not make any noise," they fled through the front door.

Albany police, headed by Officer James McLeod, arrived within minutes after the holdup. They said the tavern had apparently been "cashed" by another couple who entered it shortly before the robbery.

Nic-Nac-Nook Offers Dresden Instructions at New Home on Solano

You don't have to be an artist or have any special ability to learn Dresden craft, at least that is the opinion of Mrs. Liza Lamey, owner of the Nic Nac Nook, now open in its new and larger location at 1599 Solano Ave.

Mrs. Lamey, the first to introduce Dresden craft to the West Coast, today has turned an enjoyable hobby into a thriving business.

The Berkeley woman began her Dresden craft career in 1945 while spending the summer with her mother, Mrs. Dan Noonan, at the family home in Minneapolis. At her mother's request, Mrs. Regina Swedenborg, originator of the inexpensive reproduction of the costly Dresden figurines, conducted one of her first classes in the basement of the Noonan home. It was there that Mrs. Lamey learned the Dresden craft process.

Mrs. Lamey held the first public display of Dresden craft on the West Coast in 1948 at the Berkeley Garden and Hobby Show.

Meanwhile, she was conducting small classes in the art at her home studio, but later found it necessary to move to a larger location. At that time Mrs. Lamey persuaded her husband, Joe, to quit his full-time job and assist her in the retail business. They opened the Berkeley store in 1948 under the name of Liza Jo Art Craft.

Mrs. Lamey opened the Nic Nac Nook at 900 Masonic Ave. in June, 1951, with Mrs. Vida Burke, a former student, as manager. The Albany store features free instruction three days a week with a special class for children on Saturdays.

Red Cross Asks Birthday Fund For Servicemen

Servicemen have birthdays too!

And of course the American birthday is never complete without the traditional candle-laden cake to wish on. With this in mind, the organizations and individuals of the Berkeley-Albany-Keisington "are asked to give money through the Berkeley Red Cross to finance the birthday cake program at the U. S. Naval hospital at Oakland.

Since February, 1949, a Berkeley donor has given \$10 a month to buy decorated cakes for hospitalized servicemen at Oak Knoll. Mrs. Beecher Rintoul, chairman of Gray Ladies for Berkeley Red Cross, points out that the increase in the patient enrollment has raised the demand for more cakes.

Mrs. S. G. Culver, chairman of canteen service at the Berkeley Red Cross, has a second equally important request. On Tuesday and Thursday afternoons and evenings servicemen are served coffee, homemade cookies, soft drinks and iced tea in the hospital lounge. Approximately 100 men are served at each session. The cookie supply is being met partly at the present by local individuals and organizations, but more cookies are needed. Also, the coffee supply is running low. Money sent to the Red Cross Chapter House, 2116 Allston Way, will insure the service men of steaming cups of their favorite drink.

"God's 4-F's" will be the sermon topic of Allen G. McMahon at the 11 a.m. service Sunday at St. Alban's Church. Dr. Randolph Crump Miller, vicar, is on vacation.

Water to Albany Hill Soon

Eagles Set Gala Ladies Night, Bingo Party

Albany Eagles today announced plans for a gala ladies' night and bingo party for the evening of Monday, July 30.

The affair, to which the public is invited to attend, will be held at the Maccabee Hall, Kains and Marin Aves., according to Frank Iredale, president.

Franklyn Bowers, vice-president and chairman, has promised an evening of fun for all attending the summer get-together.

"Plenty of good entertainment will be provided along with refreshments," he said.

At a recent meeting of officers, plans were made for a number of entertaining events to be held on regular meeting nights of the local Eagle aggregation. Scheduled in the immediate future is a huge membership drive to swell the ranks of Albany Eagledom.

La Verne Kendall New NDGW Prexy

Albany Parlor No. 260, Native Daughters of the Golden West, which won first prize for the best marching unit in the Fourth of July parade, today has named a new set of officers to serve for the coming year.

Mrs. La Verne Kendall was installed as president at ceremonies conducted last Wednesday evening at the Maccabee Hall. She succeeds Mrs. Ruth Bacigalupi, who will serve as past president.

Other officers installed include the following:

Grace Colatorti, first vice-president; Frances Butts, second vice-president; Lou McCauley, third vice-president; Thelma Goss, secretary; Clarice Parker, financial secretary; Pearl Kellogg, treasurer; June Kelley, outside sentinel; Ynez Leigh, inside sentinel; Barbara La Plante, marshal; Althea De Luchi, organist and Lena Torchia, junior past president.

New trustees are Lottie Bauer, Yvonne Walkup and Elsie Friis.

Mrs. Torchia was presented with her past president's ring by her husband, Frank, organizer of the new Albany Parlor of Native Sons. Plans for parlor activities for the coming year will be discussed at a meeting scheduled for Wednesday, July 25, at 8:15 p.m. at the Maccabee Hall. New officers will preside.

MR. AND MRS. Harold Brotherton are away spending part of their vacation at Feather River Inn. They will also visit Moro Bay in Southern California before returning home.

The Council Changes Its Mind and Junks Proposed \$100 Per Day Racing Tax

The City Council Monday night instructed City Attorney Edward R. Plotner to take whatever legal steps are necessary to form an assessment district in order to get water and sewage facilities to Albany Hill property owners.

Action came after hearing Mayor Jerome Blank discuss a field survey and plan prepared by City Engineer Howard B. Carter.

MARIN PTA NAMES NEW CHAIRMEN

New officers and committees of Cornell PTA today were studying their respective duties and are giving serious thought to plans and preparations for the fall semester.

Although the majority will not begin active participation until the opening of school, the student welfare chairman, Mrs. J. E. Meyers, is assisting at the Well Baby Conference conducted at Cornell School each Thursday.

Mrs. Conway Smith, first vice-president and program chairman, is planning a dessert luncheon in the school's new cafeteria for the first meeting in October.

Mrs. John McShea, president, has appointed the following chairmen for the coming year:

Mrs. Paul Calderhead, finance and budget; Mrs. Lawrence Lane, publicity; Mrs. Michael Silvester, registrar; Mrs. L. A. Cassell, room representative; Mrs. John Irwin, membership; Mrs. Fred Schlosser, audio-visual; Mrs. Vervair, safety; Mrs. Mills Darnell, hospitality and Mrs. Paul Burbage, recreation.

Mrs. Earl Sorensen, council delegate; Mrs. Wallace Mardilla, Founders' Day; Mrs. Frank Gira, honorary life membership; Mrs. Robert A. Fellion, art; Mrs. Alfred Mulera, tea hostess; Mrs. A. P. Andrews, youth organizations; Mrs. R. C. Gray, representative to Albany Nourishment Association; Mrs. W. E. MacKenzie, youth organizations; Mrs. Robert G. Bruce, music, and Mrs. John Tilbury, health.

Rotarians to Hear Lady From Singapore

"Life in Singapore" will be the topic of Mrs. Mei Wong, social worker from Singapore, in an address before Albany Rotarians at the Monday luncheon.

Mrs. Wong, currently visiting with her daughter in Berkeley, was decorated by King George V in 1938 and she is an honorary member of the British Empire.

She will be introduced by Gene Baker, chairman.

Albany Soldier Loses Left Leg In Korean War

An Albany soldier has lost his left leg as a result of wounds received while fighting with the United Nations forces in Korea.

He is Army Pfc. Robert L. Hammit, 23, brother of Mrs. Dorothy Lotta, of 760 Pierce St.

Pvt. Hammit, a paratrooper serving with the 187 Airborne Regiment, was hit by enemy fire May 26th while liberating American prisoners held by communist troops, according to word received by his sister.

The soldier told his sister that his left leg was amputated at a hospital in Japan and that he expects to be flown home soon.

A veteran of five years in the Army, Pvt. Hammit is the son of Mrs. C. D. Tossetti of Colton, Calif. Another sister, Mrs. Laura Flannery, lives in Emeryville. He made his home in Albany before entering the service.

Bible School Closes Today With Picnic

A picnic lunch at Albany Memorial Park at noon today (Friday) will close the sessions of the vacation Bible school held at Grace Lutheran Church, Santa Fe Ave., at Ward Ave. for the past two weeks.

In the evening at 7:30 o'clock a closing service will be held in the church. All parents and friends of the children are invited. "Personal Evangelism" will be the theme of the service under the direction of Mrs. Paul Leimkuhl, superintendent of the school.

Included in the order of worship will be prayers and hymns, as well as recitations by the children. Karlyn Zobel and Jean Sowers will sing "Beautiful Savior," and the boys' choir will sing, "Father, Bless Our School Today." "Holy Spirit Hear Us," and "Now the Day is Over."

In the worship Sunday at 11 a.m. the Rev. Orwin R. Janke, pastor, will preach on the topic, "The Challenge of Perfection." The church school meets preceding the service at 9:45 a.m.

Chicken Pox, Measles Head Disease List

Chicken pox lead Albany communicable diseases during the month of June with 23 cases, according to a report by Leland Quillie, assistant city health officer.

Sixteen cases of measles were reported to the Health Department, along with the following: German measles, 2; tuberculosis (new) 1; and syphilis, 2.

Thirteen births and two deaths were recorded.

Lois Etingoff Honored With Bridal Showers, Birthday Fetes

A round of showers and birthday dinners honoring Lois Etingoff, who will become the bride of Lawrence Schultz on August 12, have been given here during the past month by various friends and relatives.

A kitchen shower for the bride-to-be was given on June 22 at the home of her sister-in-law, Mrs. Max Etingoff Jr., of 950 Stannage Ave. On July 10, a lingerie shower was given for the honoree by former classmates from Armstrong College at the home of Jay Franceschini of Oakland.

Mrs. Harry D. Barrows, of 714 Gate View Ave., honored her sister-in-law with a linen shower on July 13.

A spinsters dinner and miscellaneous shower was given July 15 by her future sister-in-law, Barbara Schultz, of 710 Carmel Ave. Lois also celebrated her 21st birthday on July 12 at a small party given by her parents, Mr. and Mrs.

Max Etingoff Sr., of 636 Madison St. Another birthday dinner the following evening honored both Lois and Mrs. James Handel, given at the home of Mrs. Handel's parents, Mr. and Mrs. John B. Dyer, of 1063 Cornell Ave.

Pvt. Edward Howe On New Assignment

Pvt. Edward L. Howe, 19, son of Mrs. Mable Humphrey, 624 Tallot Ave., today has completed his basic training at Lackland Air Force Base, Texas, and has been assigned to specialized duty at Cocoa, Florida.

Pvt. Howe was sent to Lackland AFB for basic airmen indoctrination after entering the service on May 15.

Prior to entering the service he was employed at the California Electrical Co. in Oakland. He is a graduate of Albany High School and attended the Laney Trade School in Oakland.

ALBANY'S PAWSON SISTERS, blonde Lynn, foreground, and brunette Joan, dream of national championships to come as they kick up their heels in anticipation of their Midwest sojourn. The sisters, accompanied by their mother and coach, Mrs. Art Olsen, left by auto last Sunday for the National Synchronized meet July 27-28 at the South Shore Swim Club in Detroit. Joan and Lynn will compete in duet and solo competition, and team with Athens Club mates in the group ballet.—Courtesy Gazette.

INSPECTING the \$50,000 site of Albany Hospital's proposed 103-bed hospital for El Cerrito, at Lexington Ave., near Fairmount Ave., are El Cerrito city officials and the administrator of Albany Hospital. Left to right are Mayor L. C. Keating, Leon Jarvis, administrator of Albany Hospital; M. C. Heinkel, City Councilman; Kenneth Smith, city manager, and A. J. Dietrich, Councilman. Funds for the hospital are now being raised from physicians and surgeons of Berkeley, Albany, El Cerrito, Oakland and Richmond. There are no plans to apply for public or Government financial assistance. —Courtesy Gazette.

COLOR SYMPHONIES

Have you ever heard of the "tie and dye" technique? It's a tricky little operation for getting picturesque color effects, like the skirt in this picture. Once that skirt was white; now it's three graduated shades of the same color—all through the "tie and dye" method. The secret? There is none. Divide the skirt into three sections and sew an even line of large stitches around the skirt to mark these divisions. That means two lines of stitches like the latitude markings on a map. Pull the threads drawstring fashion and tie as tightly as possible. Then wind several turns of string around the thread. These lines separate the different gradations of color, so the more string the wider your white dividing lines.

The skirt is now ready to flit with the dye. And flit it does. First it blinks both eyes, then it bats one and then the other. Before you start, make sure the dye is a fashionable color—one that will look good in several shades of the same color. Green, purple, blue and cocoa brown are best. Also, it's safer to use all purpose dye which takes effect on rayon and nylon as well as cotton and the like. The whole package of dye should be dissolved in a small amount of hot water.

Then pour just a third of it into the large dye bath. This will be a very light shade. Dip the whole skirt in this solution and when the top section is the right shade, take the skirt out. Now add a third more dye to the dye bath and holding the skirt by the upper part, just dip the two lower sections into the darkened dye. When the second section is dark enough, lift out the skirt again, pour in the last bit of dye and let the bottom section of the skirt soak in that. Now what have you? Suppose the dye is green. Then you'd have pale green on top blending into a warmer green in the middle which in turn gives way to a dark forest green on the bottom. Pretty effective, Right? When the string is removed, there'll be sketched bands of white, separating the three shades. Imagine green tie-dyed over a yellow skirt. It would be a beautiful color scheme. Another color idea would be to have the upper section light gray, the middle charcoal gray and the bottom black. Then, for a really dramatic effect, top it off with a black blouse. Wouldn't that be lovely?

Christian Science

In the Lesson-Sermon on the subject "Life," to be read in all Christian Science churches next Sunday, July 22, these verses will be included among the Bible citations:

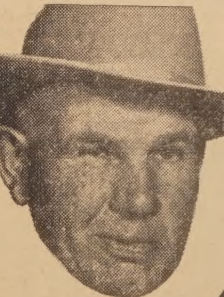

Jeremiah 2:5: "Thus saith the Lord, What iniquity have your fathers found in me, that they are gone far from me, and have walked after vanity, and are become vain?" Habakkuk 2:20: "But the Lord is in his holy temple: let all the earth keep silence before him."

A correlative citation from the

Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will read as follows:

"The chief stones in the temple of Christian Science are to be found in the following postulates: that Life is Good, good, and not evil; that Soul is sinless, not to be found in the body; that Spirit is not, and cannot be, materialized; that Life is not subject to death; that the spiritual real man has no birth, no material life, and no death" (p. 288).

Christianity is more than knowing the right, for it also includes living righteously. — Malone.

COME IN TODAY

You Are Always Welcome to Look Around!

Mid-Afternoon Refreshment

Tall glasses, tinkling with ice and filled with a delicious, bubbling beverage—what better way to revive the drooping spirits of guests or the family on warm summer days? A mid-afternoon drink, served on the porch, or any cool, shady spot, is a delightful interlude in the day's activities. A cooling drink is a welcome offering to unexpected callers and affords such a quick and easy way to bring on the refreshments.

A few cans of fruit juices and bottles of pale dry ginger ale and sparkling water in your refrigerator and you are ready for any time that a quick drink may be called for. Fresh fruit, too, peaches, cherries, berries and the citrus fruits, all come in handy for invigorating drinks. Here is a good afternoon refresher, the cherry syrup to be made ahead of time and set in the refrigerator to chill until ready to use.

Cherry Glow
1 cup chopped, ripe cherries 1 teaspoon grated orange rind
¾ cup water ¾ cup orange juice
½ teaspoon grated lime rind 2 teaspoons lime juice
Sparkling Water

Combine cherries, water, grated lime and orange rind. Simmer until cherries are soft. Chill. Divide in 4 tall glasses; add orange and lime juice. Fill glasses with ice cold sparkling water. Serves 4.

Hawaiian Nectar
1 No. 2 can pineapple juice ¼ cup powdered sugar
6 limes, juice Pale dry ginger ale
Combine ingredients, stirring until sugar is dissolved. Pour over ice into 6 glasses. Fill glasses with pale dry ginger ale. Garnish with maraschino cherries in thin slices of orange. Serves 6.

First Baptist Church

"The Belief of Unbelievers and Unbelief of Believers" will be the sermon subject of the Rev. A. O. Odegard at the 11 a. m. service Sunday at the First Baptist Church, 1319 Solano Ave.

Shirley Teani will sing the solo, "The Lord Is My Shepherd," with the anthem sung by the choir.

The evening gospel service is held at 7:30 p. m. Claes Wyckoff is in charge of the music, and the message by the pastor.

Timely Tips

What does vacation time mean? If you want to make the most of it, it means careful planning to avoid as much work and trouble as possible, so there's more time for play out-of-doors.

You can keep the children busy and out of mischief if you give them definite things to do. How about letting them prepare their own "pink lemonade party"—in the back yard, of course, where things can't get messed up. The pink lemonade (and they'll love making it) is simply sparkling water, lemon juice, sugar and a dash of maraschino cherry juice.

If yours is a picnicing family, keep a special box or basket always ready with the necessary staples such as salt, pepper, sugar, a can opener and a sharp knife. This will save time getting ready, especially in heavy highway traffic. Don't whiz past a line of cars or pass on hills or curves. The little time you save isn't worth it—the life you save may be your own!

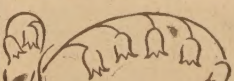

Going away for a vacation? The secret of packing a suitcase or wardrobe to avoid wrinkles and breakage is to distribute bulk and weight evenly, and to arrange that everything is firmly held in place. If necessary, crush tissue paper and fill in any loose spots.

Above all, to stay healthy and happy, take it easy! Drive slowly, especially in heavy highway traffic. Don't whiz past a line of cars or pass on hills or curves. The little time you save isn't worth it—the life you save may be your own!

To will what God doth will, is the only science that gives us rest. Longfellow

Cut Asked in County Taxes

Edwin S. Howell, Alameda County administrative officer, today had under consideration a letter from the Alameda County Taxpayers Assn., suggesting the County's tax rate could be cut 18 cents for 1951-52.

During 1951-52, the county rate was \$2.04.

The association's letter to the County Board of Supervisors said: "In a general way, this committee feels that the board of supervisors should this year at least adopt a program of eliminating unnecessary functions and move ahead with these programs which will bring about savings and efficiencies in the administrations of county affairs."

Add Sparkle to Summer Parties

Gleaming sterling silver iced beverage spoons bring beauty to this informal tea table. The versatile, modern pattern shown here is Gorham's "Nocturne".

Time was when even the busiest hostess wouldn't have brought out her best silver for an informal porch party. That idea of hoarding your silver is like Grandma never using the parlor; it's an out-moded one.

Today good silver is equally appropriate with brightly colored straw mats and damask cloths. For summertime meals and popular beverages, you can dress up the simplest table with pretty silver.

Either add to your own pattern, or start your sterling with summer party-service pieces that will be most useful now. Iced beverage spoons, a sugar spoon, lemon fork, cold meat fork and salad service will add sparkle to your summer parties now and beauty to your tables for years to come.

IMPROVED NEW ROLLER MAKES PAINTING EASIER AND FASTER

WANT to re-decorate? Change the color of your walls, perhaps, to one of the new deep tones that combine so well with stark white accessories? If you're timid about attempting the job yourself, you needn't be for a new product, called EZ Paint Roller, makes painting half the work and three times faster.

The secret of this roller's efficiency, its designers say, "lies in the roller cover of Lonel, a fabric made from science's new wonder-working fiber—dynel." With dynel, the roller holds paint evenly, does not mat or cake, "recovers" like new after cleaning, and can be used with all kinds of paint including the new rubber-base, water-thinned paints, and even enamel.

The picture above shows the set, which consists of a 7-inch roller cylinder and handle, Lonel roller cover of new dynel and a metal tray. To use, prepare surface same as for brush application. Fill tray with paint half-way up slanted surface. Dip roller, cover in paint and roll back and forth on tray's dry surface to remove excess paint and prevent dripping. **Cleaning tip:** Line tray with heavy wrapping paper. **Plastering tip:** If plastering is necessary, give it two or three days to dry, because paint chips off damp plaster.

In use, EZ Roller lives up to its name. For smoothest results, remove old chipped paint first; then roll easily on surface to be painted. Don't spin at end of stroke.

Dynel makes cover easier to clean and it bounces back like new. Covers are changeable. A "spare" avoids delay when you change to a new color.

The new roller works best if you don't work too hard at it, so you can finish a whole room and be ready for the next without even being tired. (ANS)

VFW to Honor State Leaders

Members of Veterans of Foreign Wars posts and auxiliaries from both California and Nevada will attend the testimonial dinner to be hosted in honor of Mr. and Mrs. Dan B.

Scherlie July 28 at Hotel Leamington Oakland, by the 14th District group.

The event, which is chairmaned by Alameda County Sheriff H. P. Gleason, will pay tribute to more than 40 years of V. F. W. activity by the Scherlies. Sheriff Gleason, a member of Sgt. A. J. Foster Post 259, San Leandro, will act as toastmaster for the dinner.

Albany residents on the general arrangements committee include Madeline Woodward, president of Albany Post 2658 Auxiliary, and Commander Stephen Parkins of Albany Post 2658.

GO TO CHURCH SUNDAY.

Seeing is Believing

ONE OF ROBERT BROWNING'S EYES WAS NEARSIGHTED, THE OTHER FARSIGHTED. HE CLOSED THE FARSIGHTED ONE WHEN DOING CLOSE WORK AND THE NEARSIGHTED ONE WHEN WALKING, SAYS THE BETTER VISION INSTITUTE.

Beware those eclipses! Your vision may be permanently impaired if you look directly at the sun without the protection of smoked glass, a dense film negative, or a pinhole in a card.

Did you know? EVERY YEAR AMERICANS SPEND:

\$3 BILLION, 50 MILLION FOR SHOES AND SLIPPERS.

\$200 MILLION (LESS THAN ONE-FIFTEENTH AS MUCH) FOR EYE-CARE AND EYE-WEAR.

Young Homemakers Corner

By NANCY COOK—ANS Features

In the silverware field, our attention is drawn to a unique and new development in the construction of flatware... the first one-piece silver knife handle in sterling silver history, perfected by the Gorham Company. Since the days when Paul Revere and Jabez Gorham were silversmithing spoons and bowls for Colonial homemakers, the possession of sterling silver has been a cherished tradition.

In the past, however, sterling knife handles were made from two pieces of silver, imprinted with a pattern, then soldered together at the side seams. Now, from a sleek tube of sterling, an exclusive process fashions a one-piece knife handle with no side seams—producing a deeper-cut, finer pattern detail and a handle that will not discolor along the soldered edges.

This new process permits a fine cement fill instead of lead in the handle which means that, even if you accidentally drop the knife, it won't dent or nick; and water will never seep into the knife handle to allow it to loosen from the blade.

Ownership of finely-wrought silver is indeed a symbol of rich heritage—and, as such, represents an important investment—so, select your silverware with care. A pattern which embodies this newly-developed one-piece construction, for example, will give many additional years of wear and help preserve the original beauty of the design.

Winchell 'Thanks' Local Eagles for Cancer Donation

The Damon Runyon Memorial Fund for Cancer Research today presented Albany Eagles and its ladies auxiliary, Bayview Aerie No. 2323, a certificate of appreciation for their contributions to the Runyon Fund. The local Aerie donated a sum of \$267 as a result of a Damon Runyon Memorial Fund Dance held earlier this year.

More than 1200 Aeries and auxiliaries throughout the country held Eagle Charity Frolics to assist in the fight against cancer and presented to the Runyon Fund \$130,689.96.

Walter Winchell, national treasurer, paid tribute to the Eagles and their fund-raising efforts with several complimentary comments on his radio programs and his daily columns.

In a personal letter to the Albany Aerie, he said:

"The members of the Damon Runyon Memorial Fund for Cancer Research would like to thank every member of the Fraternal Order of the Eagles. No finer demonstration of a united effort has never been made in the fight against cancer."

"Your individual efforts made possible the largest contribution ever made to the Fund from any fraternal group."

"We want you to know that your contribution like many others had been used for cancer research in the 48 States without any deduction for expenses of any kind."

"To date \$4,206,424 has been paid out in 172 grants and 147 fellowships in 130 institutions in 45 States, the District of Columbia and 11 foreign countries."

"May good fortune be yours for the help that you have made possible for others."

Pointers Given On Reducing Polio Chances

With new outbreaks of polio being reported in other points of the nation, the Alameda County Chapter of the National Foundation for Infantile Paralysis is issuing pointers to cut down chances of getting the dread disease during the summer months, or "polio season."

At any time, don't get chilled and don't get overtired. During the summer season, don't have mouth or throat operations and don't mix with new groups in areas where you know there have been polio cases.

Always watch for signs of sickness, such as headache, fever, sore throat, upset stomach, sore muscles, stiff neck or back, extreme tiredness or nervousness, trouble in breathing or swallowing. Do put a sick person to bed at once, away from others, and call the doctor. Quick action may lessen crippling.

The Alameda County Polio organization, whose executive secretary, Mrs. Mary H. Black maintains offices at 4601 Virginia Ave., Oakland, is always ready to advise and lend assistance to polio victims of the county, it is pointed out.

Financed with March of Dimes funds, the polio foundation pays for care that patients cannot afford, and provides equipment and therapy treatments.

SUMMER CAMPS TO MAJOR In Skilled Bicycling

By DEAN ADAMS—ANS Features

Organized bicycle programs will be high on the list of activities in summer camps for American boys and girls this year. A survey recently completed by the Bicycle Institute of America discloses that camp directors are practically unanimous in their plans to make the two-wheeled sport an integral part of their recreational and educational programs.

Although cycling has long been a favorite sport of America's youth — 16,000,000 youngsters own wheels in this country—camp directors have only recently learned to take full advantage of its potentialities as a source of group enjoyment and education.

The survey reveals that a properly handled bike program encourages youngsters to accept participation in other group sports and undertakings and helps the shy child to develop self-confidence and personality.

An effective summer camp bike program, as outlined by the directors polled, embodies the following aims:

1. To teach non-riders how to ride their wheels properly.
2. To help campers become safer and better cyclists who will enjoy their bikes more upon returning to the city.
3. To provide cycling fun and enjoyment at camp.

Parents of camp children are particularly keen about the safety aspect of the bike program. Teaching youngsters the rules of the road, how to ride properly, how to take care of their wheels and other safe riding practices enables them to cope with traffic problems in their respective cities with a minimum of risk. Under the program, the non-rider also develops his cycling skill with proper emphasis on correct riding habits and other safety factors.

Camp directors find it easy to improvise games and activities suitable to the terrain and resources of each camp, including bike trick-riding, bike polo, bike rodeo, bike group trips, the bike commando course, and bike formation riding. One of the big moments in a majority of camps is the Bike Field Day which encompasses selection of a bike king, or queen, special novelty races, prizes for the best-costumed rider, bike, speed races, etc.

Camp director (second from left) explains, step by step, the technique of bicycling.

Embodies the following aims:

Enrollment Open in Rug Making Classes

Additional enrollments are open in both braided rug and hooked rug making classes offered during the summer session at Albany Adult Education Center.

Under direction of Mrs. Frances Manning, braided rug classes meet from 7 to 10 p. m. on Tuesdays and 9 to 12 noon on Wednesdays. Hooked rug classes, taught by Mrs. Lucyle Gentz, are scheduled on Mondays from 7 to 10 p. m. and from 1 to 4 p. m. on Tuesdays.

Braided rugs are made from discarded wools and are assembled

in braided form, either sewn or laced, in color combinations that can fit into any room. Sizes vary from small throw rugs up to 9 by 12 feet.

Hooked rug making is an art in which discarded wools are hooked into patterns of flowers, leaves, trees and other artistic scenes. A wooden adjustable frame, a fine steel hook with wooden handle, a pair of sharp shears, woolen materials and patterns obtainable in classes are the fundamental requirements for entering into this fascinating craft.

Hooking is not confined to floor coverings. Many beautiful wall hangings, piano bench covers and chair seats have been made by students.

Telephone service is always homemade, in and for each community we serve. Here a cable goes into service.

MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWN

We're putting many millions more into telephone facilities this year.

1. All across the West, in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on... in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.

3. It's taken a tremendous investment to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about \$400. Before 1940, the average was about \$250. Yet rates are up far less than our costs of providing service... on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.

2. New facilities, installed in just the past five years have increased our plant \$660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put millions of investors' money into the West. Much of the material we will use will be purchased in West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.

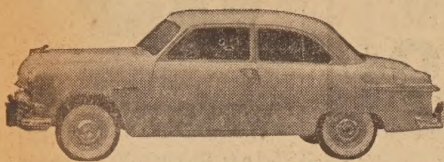

Price increases since 1940

A good funeral service must be complete in every way. The establishment must be modern, the motor equipment must be first class, the firm's policies must be sound and fair, and above all, the personnel must be interested, well-trained, and imbued with the desire to serve well. We sincerely believe that Ellis-Olson service qualifies on all counts.

<p>LEGAL NOTICE</p> <p>NOTICE TO CONTRACTORS</p> <p>NOTICE IS HEREBY GIVEN THAT the Board of Education Albany Unified School District of Alameda County has received bids for the work to be delivered to the Secretary of said Board at the office of said Board in the Administration Building, Corner Tibbeto Avenue, Albany, California, on Wednesday, the 1st day of July, 1951, at 2 o'clock p. m., at which time and place said bids will be opened for the furnishing of all materials, labor, machinery, equipment, workmanship, transportation services required for replacement and new construction of furnaces as located at 1400 Marin Avenue, Albany, California, for the Albany Unified School District of Alameda County.</p> <p>Said bids shall be presented in</p>	<p>LEGAL NOTICE</p> <p>in the amount One Thousand and no/100ths of a dollar payable to the Albany Unified School District of Alameda County. Should the award of bid fail or the contract should be rejected, the money so advanced shall fall and enter into the contract after the award and to file the required bonds and the proceeds of cash tender's check or the amount paid by the bidder or his surety pursuant to the terms of said bid bond title voluntarily or pursuant to the judgment rendered by the court in any action brought thereon may be retained by said Albany Unified School District as agreed and liquidated damages.</p> <p>The contractor and all subcontractors under him must pay all laborers, workmen and mechanics on all work done hereunder at not less than the general prevailing rate of per</p>	<p>CHURCH DIRECTORY</p> <p>FIRE</p> <p>AUTOMOBILE CASUALTY MEMBERS</p> <p>ALBANY ASSOCIATION OF INSURANCE AGENTS</p> <p>JOHN S. ---	--	--	--	---	--	--	--

Type of Workmen	Hourly Wage Rate	Saving Fund
Mastors Workers	\$2.50	\$20.00
Fitters	2.625	21.00
Dress	1.55	13.20
Electricians	2.704	21.632

The working day shall be eight hours unless otherwise specified by the City Council.

The per diem rate shall be the hourly rate multiplied by the number of hours in the workday or less than the number of hours making the working day, as they are worked. The wage paid shall be the hourly rate applied by the number of hours actually worked.

No skilled labor not listed above may be employed at a rate less than the union wage scale such labor and in no event to be less than One Dollar and Sixty cents (\$1.65) per hour.

This shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the rates specified rates to all its workmen, and mechanics employing them in the execution of contract.

may be employed upon this work unless otherwise specified. Such apprentices shall be properly indentured as called for by law and shall be paid not less than the standard wage paid to apprentices under the regulations of the trade at which they are employed. An apprentice shall be employed only at the work of the trade to which he is indentured. The initial wage to be paid an apprentice shall be not less than twenty-five per cent (25%) of journeymen's wages being paid and shall be increased each six months until it amounts not less than fifteen per cent (15%).

The Board reserves the right to reject any and all bids or any or all items or alternates or propositions of such bids.

By order of the Board of Education, July 11, 1951.
